During the passing of this year, my last at West Jefferson, I have looked back on my life here and found it filled with enjoyment and learning. I've learned not only Math, English, History, and other academic matters, but I have learned something from each person with whom I have come in contact. Through this close contact I have learned the nature of many different types of people--how they live, work, and play. This learning from and about others is truly an enjoyable habit that I wish the entire student body, without exception, could acquire.

One sometimes forgets how wonderful life is until he takes stock of himself and sees how others are getting along around him. It's the easiest thing in the world to complain when things aren't going right for you, but when you stop to realize that others are much worse off than you, you get enough of a jolt to start counting your blessings.

Helping others gives you a great sense of satisfaction, which cannot be acquired from any other source, not even hot rods. It's the sort of satisfaction of the soul which has to be experienced to be fully appreciated.

The years to come have many outstandingly different things in store for us. Cities under the oceans, mile-high buildings, interplanetary travel, and new fields of atomic research are possiblities which may become realities within our lifetime.

We are the future of the world. We will have to face these challenges and come out with a better life for everyone. We will make the great decisions. We must be prepared to make them wisely.

These things are outstanding points that I have noticed among my fellow students. With the preparation we have gained at West Jefferson and our learned determination to do right, we will succeed.

I Am Your School

Here I stand--to some a cold structure of glass and stone, to others a warm and friendly home. My body is cold and hard; but within my halls flows youth. I cannot move. I cannot speak. But I will be heard and felt... My corridors are tucked with little dreams, bright and sparkling like the sunbeams that shoot through my windows upon your children. Envy me, oh mortals, for I will never grow old. I mold and hold the destiny of the world, and it courses through my veins like precious gold. I am not without the whisper and wickedness of youth; and they, too, are hidden within the darkness of my halls; for nothing so filled with humanity is free from faults. To those who would stay, I offer maturity and guidance. I am powerful. In my body, I control the future of the earth. I AM YOUR SCHOOL.

BANNERS SCARLET AND GREY SILVER

Banners scarlet and grey silver
Fond mem'ries always stir.
Thy Hallowed Halls will call us
Though the years may blur.

Friends and comrades ever true,
Thy proud sons comprise.
With loving hearts those days
Your children always prize.

We hail thee, Alma Mater!
Your brave, bold Buccaneer,
Your scarlet and bright silver
Our hearts do ever cheer.

West Jefferson, our high school!
Our Alma Mater grand!
Your praises we shall sing
Throughout all the land.

In this rapidly changing scientific world it is my sincere hope that we have been successful in teaching you the principles of good living and fair play. No matter what changes take place men must and will continue to live and work together.

Continue your search for knowledge throughout your entire life. Remember your class motto: "We seek for what we know not yet." Seek this knowledge not for selfish interests, but to help your fellowman to a better way of life.

Counseling

THE GUIDANCE DEPARTMENT

This year the Guidance Department began its first year of service at West Jefferson. Under the direction of Mr. Emile Magendie, the department offers counseling and help to those students having trouble with scheduling, college entrance, studies, or and of the many problems which arise in the course of the school term. This fulfills a need felt by many WJHS students, and is deeply appreciated by those who have already benefited from its help. The Guidance Department will continue to serve West Jefferson, a guiding hand for present and future students.

In a program of public education, the importance of school administration cannot be overemphasized. The administrators, more than anyone else, determine the quality and quantity of the work of the school in all of its various phases. The efforts of the school administration at West Jefferson High School have resulted in providing unlimited opportunities for the desirable growth and development of all our students.

The public school has often been referred to as a great unifying force in our culture. It is, after all, the school's responsibility to meet the individual needs of youth and make them competent to deal effectively with their problems and the problems of society. By maintaining high scholastic standards in its program of studies West Jefferson High School is meeting this challenge.

Friendly Competition

Sweetheart

On Friday, October 17, 1958 West Jefferson's auditorium was the scene of the fourth annual Sweetheart Contest. Seventy-two lovely West Jefferson beauties entered the competition from which a sweetheart and twelve maids were chosen.

The stage was beautifully decorated and the colorful plants helped add an atmosphere of splendor as each girl walked proudly on the stage.

During the consultation of the judges the audience was entertained by the Esquires led by Errol Dauenhouer.

Cynthia Blanchard was chosen as our sweetheart and was presented with an engraved loving cup and a beautiful bouquet of American Beauty roses.

Half-Time Activities

The half time activities were carried on with much zest and excitement to help our boys get higher spirits to go into the second half. The stands were overflowing with enthusiastic fans wishing our football team well. Our drill team put on a colorful marching routine and East Jefferson's program consisted of portrayals of selected television programs.

F.B.L.A. Banquet

Officers were installed at a joint banquet of the Holy Cross and West Jefferson High school chapters of the Future Business Leaders of America Sunday night, Oct. 26, 1958 at the St. Charles hotel.

Principal speaker was Johnny Lynch, chairman of the executive committee of the Southeastern Conference Football Officials, and chairman of the parents' council of metropolitan New Orleans.

Lynch stressed the need for business training in the atomic age. "Research demands business training in keeping with scientific trends," he said.

He urged the students to bring new ideas into the business field and told them their generation will provide the leadership of the future.

Ring Day! The words that echo in the ears of every senior from the first day of their senior year. They wait and wait and wait and yet when it comes they're caught unexpectedly --caught in the whirlwind of excitement, gaiety and confusion that mounts up as they near this great event.

West Jefferson held its Senior Ring Day Ceremonies on Friday, November 14, with the entire student body, parents of the seniors and friends as special guests at this most impressive ceremony.

Seniors wore graduation caps of silver with scarlet tassels. The letters WJ were outstanding on the top of the caps.

The stage was brightly decorated and the traditional ring was placed in the center.

Ring Day —

Mr. Martina gave a most interesting talk on the significance of the class ring.

Each senior class president led his class up to the stage. Seated with Mr. Martina, the president handed the principal the ring from the special dowels and each student walked up to receive his ring. The proud seniors then walked through the ring and off the stage.

After the activities in the auditorium the seniors and their parents went to the cafeteria for refreshments.

Immediately following the Ring Day Reception the Seniors were dismissed for the day.

For the seniors nothing more need be said as each wears his ring proudly. And for the Juniors and Sophomores - just wait, your turn is coming.

The Wedding of Mr. West Jefferson

Bride and Groom

On November 21, in his palatial residence on Eighth Street in Harvey, Mr. West Jefferson (Clovis Dugas) was united in marriage to the charming, dainty Miss Jean Buccaneer (Gary Fortmayer).

As is always the case at such important celebrations, many of the teachers of the West Jefferson family were present to wish the bride and groom a long, happy, prosperous life.

Boys represented each home room dressed as Darlyns. The judges chose Jerry Wisser as darlyn of darlyns.

Many Hollywood personalities were also in attendance. Other entertainers were also there, giving unselfishly of their time to entertain the wedding guests.

After the floor show was over, the actual wedding ceremony was about to begin. First, however, the best man (Gordie Smith) had to quiet the groom, who was obviously growing nervous at the very thought of the coming event. The dignified mother and father of the groom (Gillis Adams and Boo Richoux) proudly walked to their seats.

Finally, the moment had arrived. The air was filled with tension. Soft strains of the wedding march could be heard as entering on the arm of her distinguished father (Stuart Breaux) was the lovely, gorgeous, enchanting, charming, petite bride, Miss Jean Buccaneer. She was followed by three charming little trainbearers (Douglas Dragna, Dave Faucheaux, Gary Dragna). Slowly she walked down the aisle, smiling victoriously all the way. Soon the bride and groom were standing before the preacher (Ellis Bealer). The soloist (Robert Earl Thompson) stepped forward and rendered "I Love You Truly" in her magnificent soprano voice. The preacher then said the beautiful words which united the handsome young couple.

In a large building adjoining the scene of the wedding, a dance reception was held. Everyone enjoyed it immensely.

Our

Reviewer:
KENNETH BYRNE

The Speech Department followed last year's successful "Cradle Song" with the challenging but beautiful "Our Town," a play which reaches into America's past and presents in a moving and dramatic manner a way of life which, unfortunately, no longer exists in our troubled times.

The cast, under the able direction of Mr. Howard, had an amazing ESPRIT DE CORPS. They seemed to be enjoying the play tremendously. The lighting, the background music, and the sound effects, under the capable direction of Mr. Magendie and Mr. Donner, ably assisted backstage by Charles Case, Chad Donnes, and Louis Fournier, were effective and added much to this quality production. The costumes made by the Home Economics Department were excellent.

In the unduly long Stage Manager's role, Tommy Calegan gave an outstanding performance. Not only was he line perfect, but he was also completely in character throughout the play. His performance was all the more remarkable when one considers that he was a dramatic novice performing one of the most difficult roles in the American theater.

In the other important leading roles, Gail Borchers as Mrs. Gibbs, Jane Trosclair as Mrs. Webb, Tom Naff as Dr. Gibbs, and Gary Dufour as Mr. Webb were standouts. Diana Wright and Colin Taulli were a wonderful team as the teenage lovers,

Town

Emily and George. Jo Ann Maggiore and Terry Hugg scored in their short but important roles as Rebecca Gibbs and Wally Webb. Your reviewer should not fail to mention the important character roles of Mrs. Soames and Simon Stimson, so splendidly enacted by Dorothy Bordenave and Errol Dauenhauer.

In the supporting roles, Edward Evans, Kenny Plaisance, Ronald Wahl, Alvin Rink, Marie Giardina, Earl Legendre, Richard Lemmon and Lois Larose were quite good. As a matter of fact, the large supporting cast was uniformly good and contributed substantially to the play.

Your reviewer feels that the Speech Department has kept the high standards for play production which it itself set with last year's production of "Cradle Song." All concerned with "Our Town" unselfishly sacrificed long hours of their time to bring their audience a most rewarding experience. Their only reward is the feeling of satisfaction in having done their difficult jobs so well. They are a credit to the school and can justifiably feel proud of themselves. Your reviewer feels that he speaks for the entire school when he salutes the people of "Our Town."

On Wednesday night, January 21, Whiteside's Restaurant was the scene of the first leadership banquet sponsored by the West Jefferson Key Club.

The banquet, which was attended by the various presidents and sponsors of the clubs at West Jefferson, was held for the purpose of bettering the relations between the clubs at West Jefferson, and also for the purpose of organizing the clubs to work on a school benefitting project for the year. School discipline was the most popular project, and so it was agreed that that would be the project.

Errol Dauenhauer, Key Club president, served as Master of Ceremonies. Featured guests were Principal Joseph J. Martina, former Key Club Sponsor Mr. Al Cassagne, present Key Club sponsor, Mr. Bill Chimento, and district Key Club Lieutenant Governor, Mike Savrie.

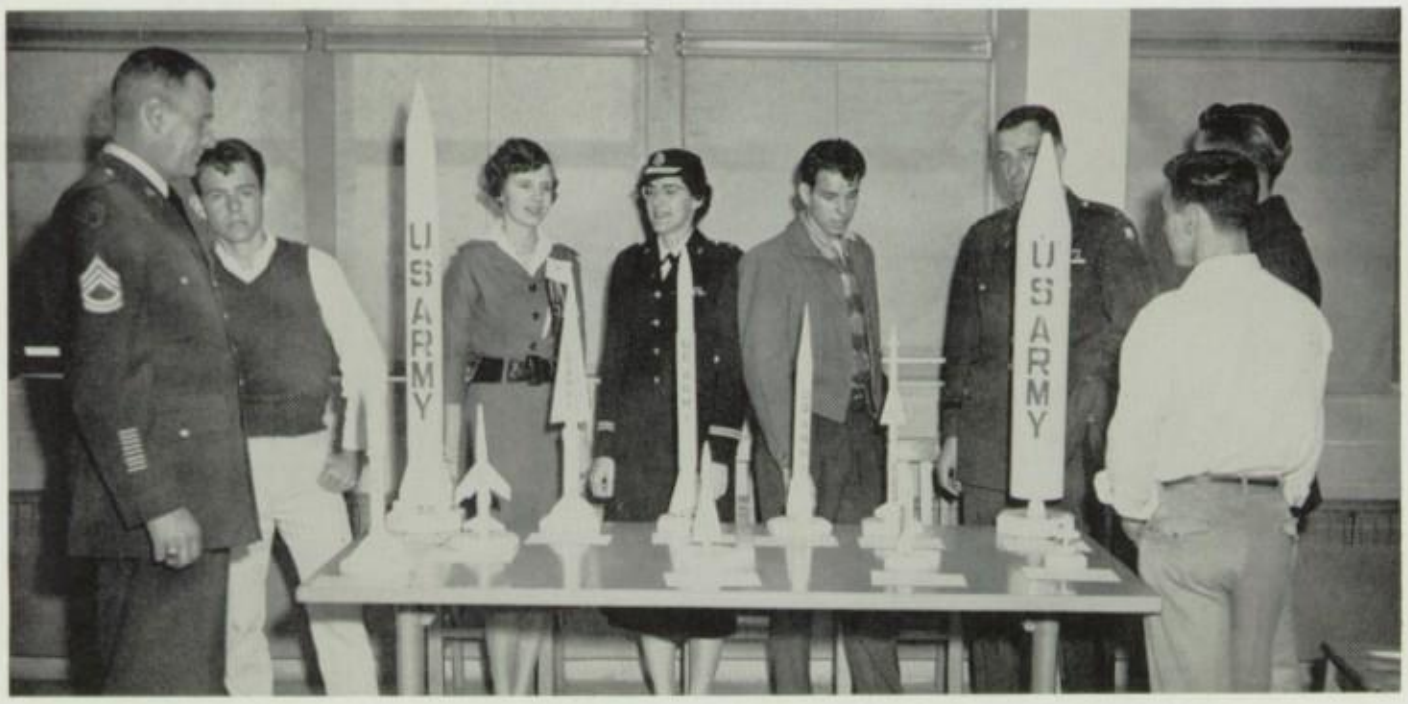
Third Annual

West Jefferson students took the day off from the regular study grind Friday, February 20 to consider what sort of career they will follow when their high school days are over.

It was Career Day and representatives from some 20 firms, the Army and Navy and schools, colleges and universities were on hand to supply information and answer questions about careers.

The Career Day ceremonies are sponsored annually by the Beta Club of which Rebecca Gegenheimer is president. The program was prepared by the club in co-operation with Miss Imogene Barrett, club sponsor.



U.S. Army officials explain "our missiles" to interested students.

The Quartermaster makes the Navy a "happy" career.

The Air Force as depicted by Sergeant King really "gets" those prospective flyers - ask Suzanne.

You can learn all the trick in a hurry - follow the new methods.

Career Day

One of the most popular information centers for girls, however, were those of professional modeling schools, where they saw demonstrations in modeling and received information on the qualifications and training neccessary and potential of such a career.

For the boys, the engineering and chemical firms had a special attraction. Very few boys passed up the centers set up by the Army, Navy, Air Force and Coast Guard.

The assembly program featured entertainment by the glee club of St. Mary's Dominican college.

A charming nurse makes a hard career very attractive.

Before you can model, you must learn to walk.

First "steps" in becoming a model.

And in the intervals, we enjoy delicious coffee.

West Jefferson Assumes Educational Leadership

Hundreds of students and teachers from the Greater New Orleans area took part in separate educational meetings on Saturday, February 14.

The activities, held simultaneously included the fourth annual Southeastern district FBLA meeting and a reading clinic sponsored by the Science Research Associates. Purpose of the reading clinic was to acquaint teachers with the methods of multilevel reading practices.

Principals in the fourth annual Southeastern District FBLA meeting were: Miss Gladys Peck, seated, state supervisor of Business Education. Standing: Lloyd Faust, Jr., Holy Cross, district vice president; Bobby Hayes, Lake Charles, president; and Richard Clanton, assistant state supervisor.

Conferring at the reading clinic are Miss Ruth Pitre, John Virden, Sr., Sister Mary Pertrine, S. S. N. D., Miss Marietta Pereira and Brother August.

Serving coffee for participants in the daylong sessions were these members of the Junior Classical League of West Jefferson High. Seated is Mary Landridge. Standing, from left, are Jerrie DeSalvo, Zola Thibodeaux, Mrs. Lela M. Crawford, hostess; Joseph J. Martina, principal, and Marie Martina, Pat Lawson and Myrna Parent.

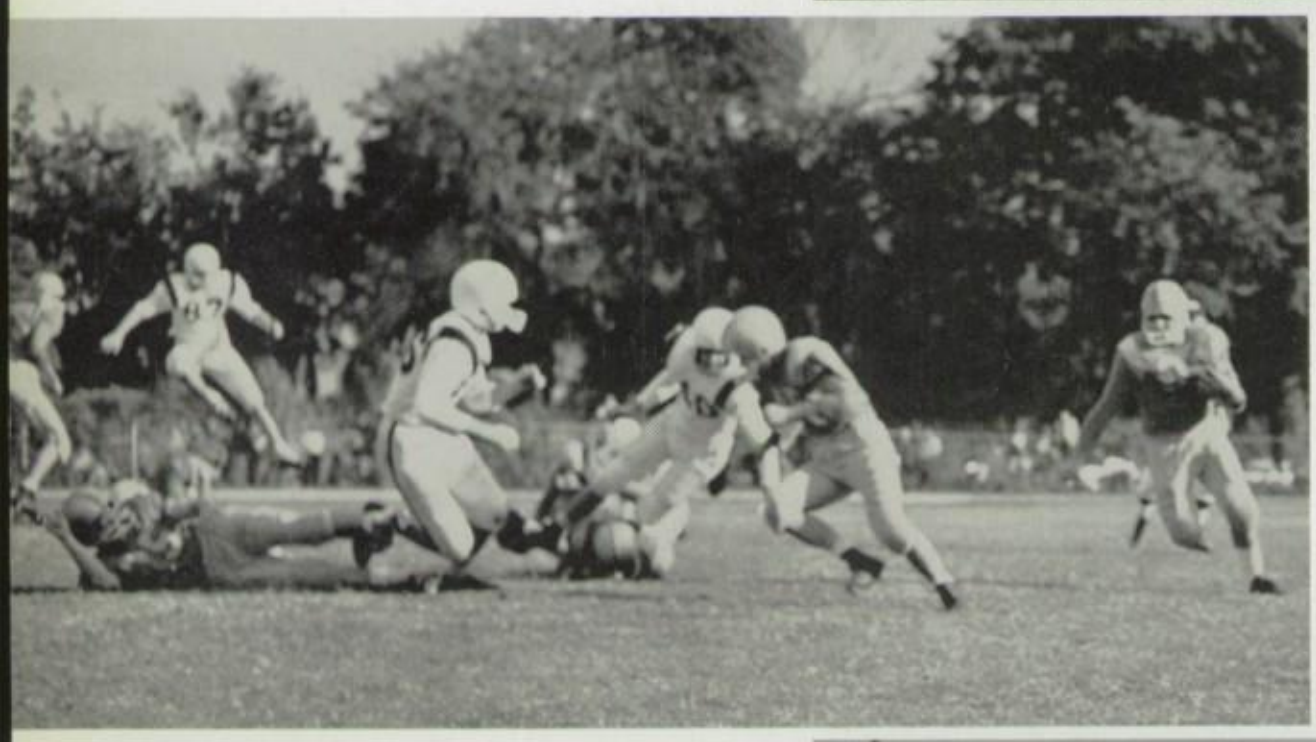
Buccaneers Have

1958 was a successful season for the Buccaneers--picked as pre-season underdogs, the Bucs were victorious throughout the season and lost only four games out of 10. The season was high lighted by the selection of Carroll Le-Blanc and Warren Richoux to the New Orleans All-Prep Team.

BUCS LOSE FIRST GAME TO RESERVE

WJ played their first game of the season against Reserve. Our boys fought gallantly, but lost 20-6 to a highly rated Reserve team. WEST JEFFERSON WHIPS HOLY NAME

WJ rebounded after losing the first game to blank Holy Name 13-0. The Bucs came up with 2 touch-downs in the second-half to gain the victory.



BUCS UPSET CAVALIERS IN BEHRMAN MUD

Spirit ran high as WJ was picked to lose this game. At the fourth period the Bucs broke a 7-7 tie and went on to win the game 14-7.

ST. ALOYSIOUS DOWNS BUCS

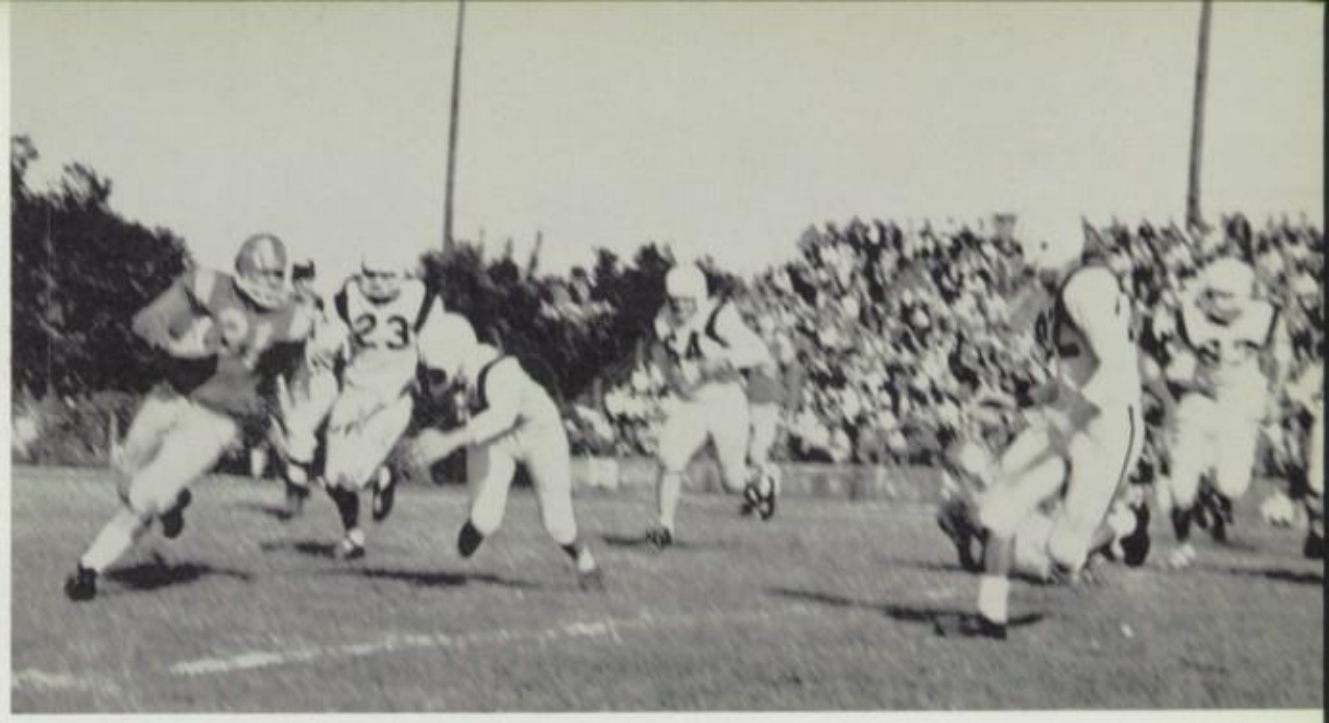
The Crusaders halted our 3-game winning streak by defeating us 14-0.

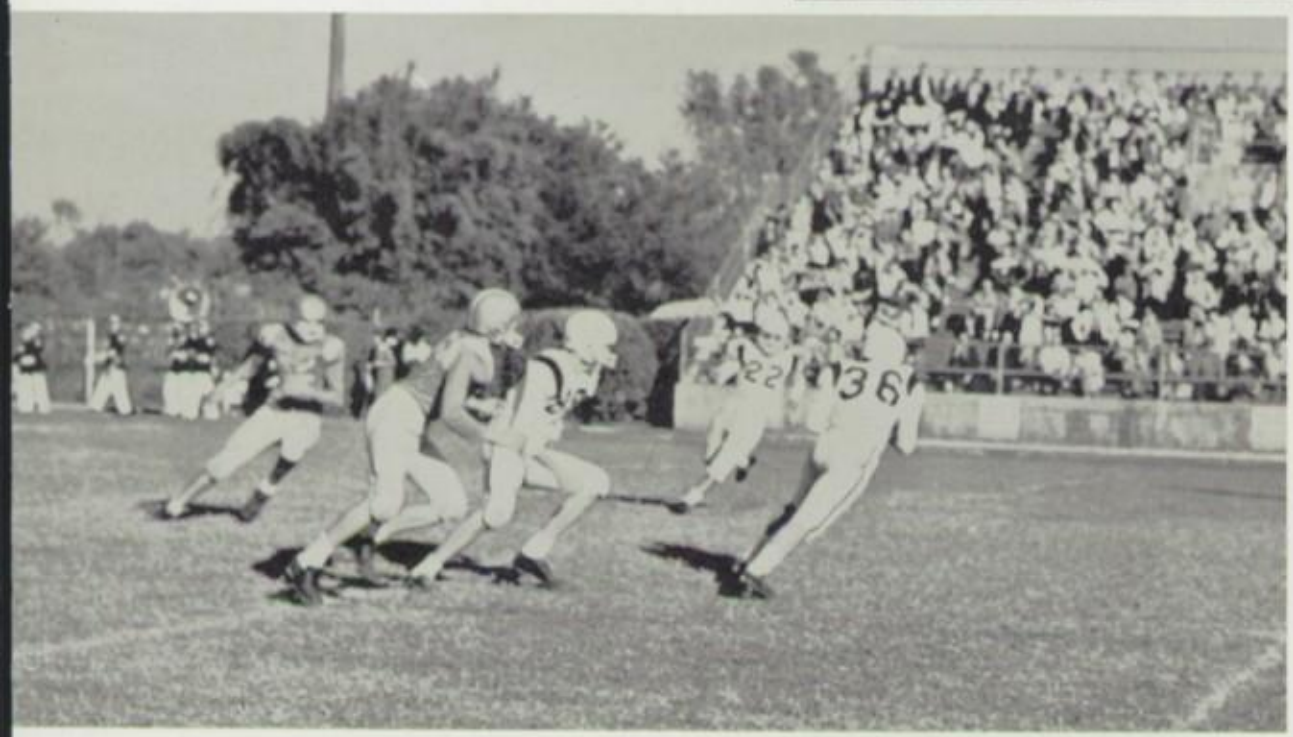
BUCCANEERS UPSET HEAVILY FAVORED CATHOLIC HIGH

The Bucs jumped off to a 2 TD lead on a 58 yd. run by Carrol LeBlanc and on a Russ Galiano to Tony Allelo pass. Catholic Hi scored in the 2nd Quarter and the halftime score was 13-7. The Bears scored in the 3rd period to tie the score, but the Bucs bounced back and scored the winning TD on a run by Lionel Boudreaux.

Successful Season

The Bucs won decisive victories over Holy Name, DeLaSalle, Catholic High, Nicholls, McDonogh and Fortier. We lost only to Reserve, St. Aloysious, Warren Easton and East Jefferson. The Bucs finished third in the Public League and were eliminated by the losses to Easton and East Jefferson.



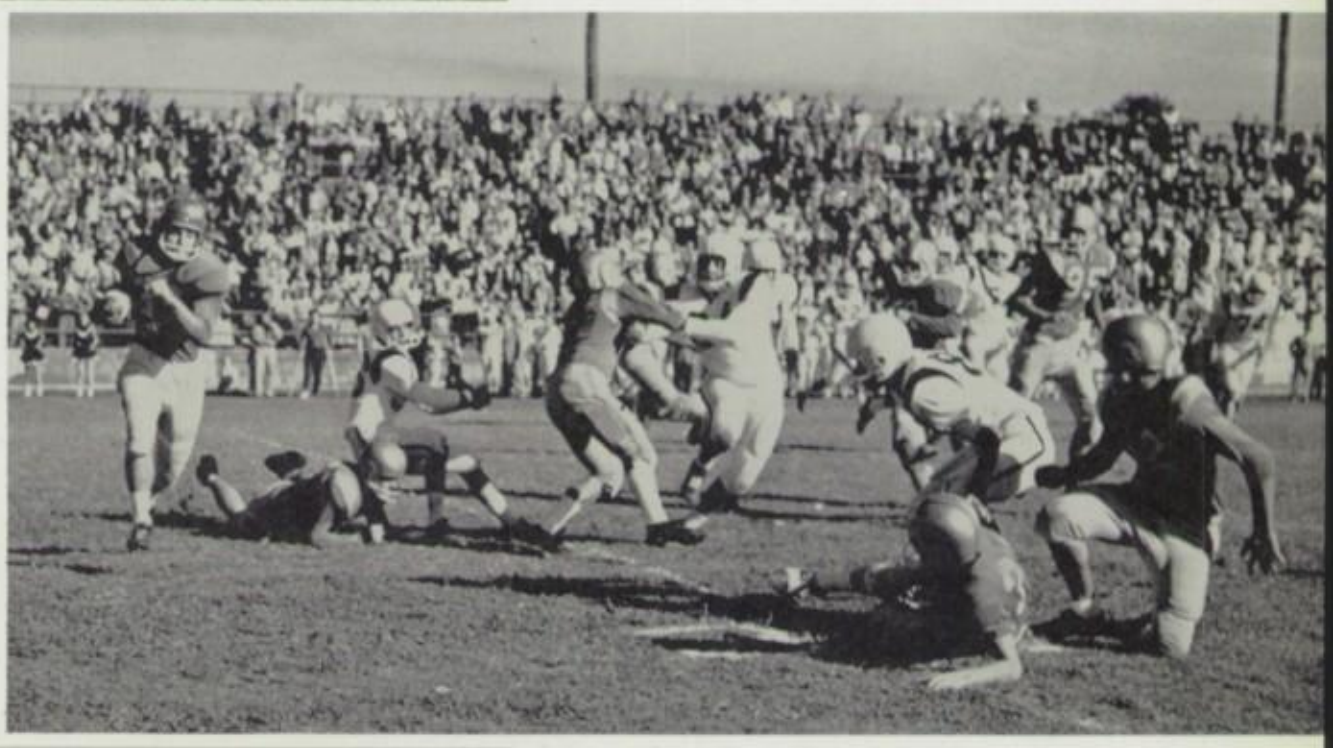


WARREN EASTON BAFFLES BUCS...
The Easton Eagles stopped WJ on October 18, --26-0. The defending Champions of the Public League were simply too much for gallant Bucs.

BUCS ROMP OVER REBS
WJHS bounced back from a 7-7 half-time tie to wallop Nichols 25-7 in a League game at City Park.

WARRIORS RUIN WJ HOMECOMING
East Jefferson spoiled our Homecoming by defeating the Bucs 18-0. The team played well but was plagued by bad breaks throughout the game.

WEST JEFFERSON MAULS McDONOUGH
After losing to Easton the Bucs rebounded in fine fashion and downed the Trojans 47-6.



BUCCANEERS KEELHAUL TARPONS 54-0
The Bucs completely overwhelmed the Fortier Tarpons at Behrman Stadium. W. Jeff. from the start dominated the game and in this the season's final everyone played exceptionally well. Carrol LeBlanc shined in this game.

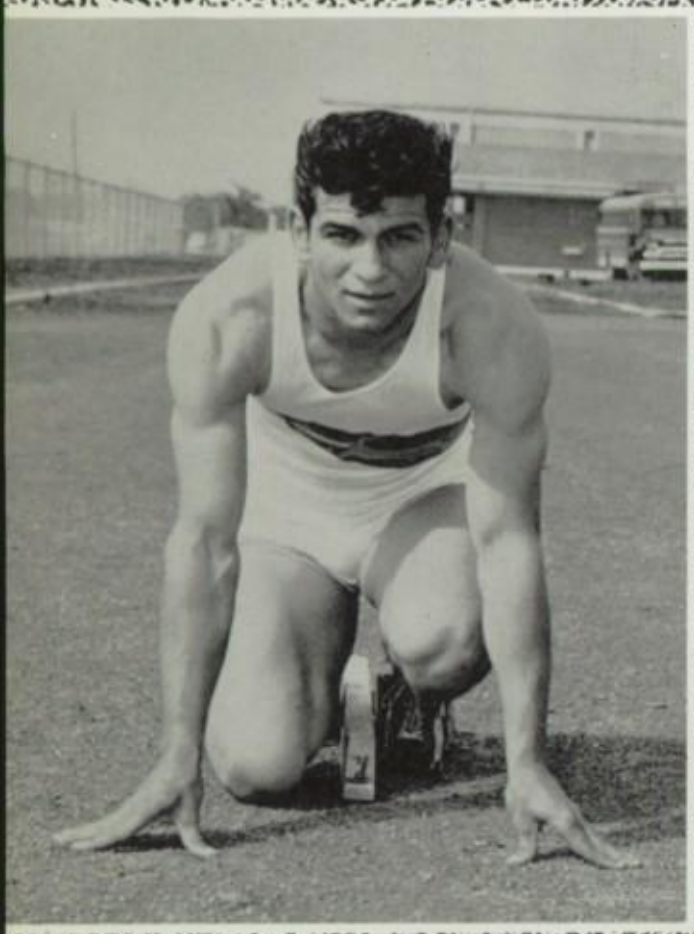
The Track Team



The track team of 1959 was high-lighted by the speed and strength of sprinter--weight Carroll LeBlanc, the high-jumping of Henry Walter, and the fine Buccaneer relay teams, composed of LeBlanc, Paternostro, Lloyd Guillot, David Guillot. Ronnie Schouest, and Larry Ott were lost by graduation and they were indeed hard to replace. Swift Carroll LeBlanc ably took up the chores of Schouest in the sprints and proved himself one of the best sprinters in the State "AAA" competition. Eldon Orgeron was called upon to replace Ott in the jumps and was a consistent point winner. The hurdle events were inherited by Henry Walker, Charles Armstrong, and Colin Taulli. The varsity team was rounded out by Roy Strohmeyer, Sidney Galley, Hunley Dufour, Lyle Bulger, Jerry Daous, David Edmondson, Matthew St. Amant, and Sal LaBella.

RUSSELL PATERNOSTRO
scored often in the 100 and 220 yd. dashes and helped in many a Buccaneer Relay victory.

The Council conducts Teacher Appreciation Day and is co-host with the Future Teachers of America at the annual luncheon honoring the faculty. Working close together, the Council and Key Club have sponsored sock hops and with the proceeds have purchased a piano and have helped pay for the portable Public Address System which may be used both indoors and outdoors. This year the Council has contributed one hundred dollars to the testing program. As a result of a study conducted by the Council, the school bus schedule was adjusted and racks for clothing were placed in the locker rooms of the gymnasium. As routine services the Council arranges seating for regular and special programs, ushers at any functions, participates in interclub activities which sponsor service to the school, and conducts the March of Dimes Campaign. The Council further is responsible through student body vote for setting up the Code of Ethics for West Jefferson students.

1959 finds the Beta Club proving their qualities of leadership in their service to the school in many of the important functions of West Jefferson, Open House, Homecoming, P.T.A. meeting, schedule making, Speech Play.

The two most important activities are the Annual Stunt Show and Career Day. Hidden talent, clever ideas, and very effective showmanship came to light in the Stunt Show. The purpose of Beta in this activity is to encourage students to greater achievement in their studies and to reward with the Order of the Torch those students who prove their scholastic mettle.

Realizing that there is a need for every American to find the place where he can give his best and to prepare himself for that place, the Beta Club sponsors Career Day. This year thirty-five different fields of activity were represented and experts in these fields conferred with interested students. It proved a very valuable activity.

The Beta girls enjoyed the state convention and won first prize in a state competition. They are planning a surprise banquet to end the year's activities.

Pelican Boys' State

Every boy who goes to Pelican Boys' State learns about the duties, rights, and responsibilities of American citizenship by taking part in the election of the various offices in each city and state formed by Boys' State. Here each boy "learns to do by doing." Pelican Boys' State is sponsored by the American Legion.

Pelican Girls' State

The purpose of Girls' State is to educate the girls for their future as solid citizens. The complete form of government is taught. Each girl is given a chance to run for an office and to actually practice the duties of the office to which they may be elected. Pelican Girls' State is sponsored by the American Legion Auxiliary.

CHORAL SPEAKING ASSEMBLY PROGRAM ... "In ever living color"

"The White Cliffs"
Linda Flanagan

Presented of the five speech classes
Speech I, II, and III

Choral speaking is an enjoyable group activity which can have two outcomes:

improved speech resulting from attention to thought, language, and action;

and increased appreciation of literature as a result of studying meaning, feeling and form, and oral presentation.

The students wore scarlet red shirts and made a most dramatic entrance by marching in singing "The Children's Marching Song."

By popular request Mr. Howard gave his rendition of "Daniel..."

The group presented: "The Lobster Quadrille," "Boots," "Johnny at the Fair," "The Marine's Hymn," "Daniel," "Blow the Man Down," "The Grand Old Duke of York," "One, Two, Three."

Beta Club Convention

On Friday morning, January 30, 40 girls boarded a Greyhound Bus at the school to attend the Annual Beta Club Convention at the Capitol House in Baton Rouge. The convention was held Friday and Saturday, the 30th and 31st of January.

The Beta Club girls voted to nominate Sally Evans for State Secretary. All the girls campaigned diligently as soon as they arrived.

On the way!

Even Miss Barrett is filled with campaign material.

Eagerly awaiting arrival in Baton Rouge.

Happy, convention-going girls.

Capitol House hotel room

Returning home--tired, but happy.

Mr. Martina praises the work and ideals of the Junior Classical League.

Two kings are crowned--with the blessing of the J.C.L. Sponsor.

The end of a carnival parade of classic style. The Muses, Mnemosyne, their Mother, their horse, Pegosus, and Bellerophon.

Junior Classical League

In a stately setting of academic significance and in the glow of symbolic candles, twenty-six new members were initiated recently into the West Jefferson High School Chapter of the Junior Classical League. The meeting was held in the school library. The rites were most impressive.

Distinguished visitors were Mr. Martina, Principal of West Jefferson, and Mr. Whitney Zeringue, President of the Krewe of Poseidon, and King Poseidon of 1959. Mr. Martina addressed the meeting, then introduced Mr. Zeringue, who also gave an inspiring talk. He was then presented with a plaque of mounted parchment upon which were painted symbols and an account of the work of his organization.

After the ceremonies of initiation Mnemosyne and her daughters, the nine Muses, entertained. The Muses brought along their horse, Pegasus, accompanied by his driver, Bellerophon. A Mardi Gras parade was held, and this was followed by a skit narrated by Betty Grow. Cries of "Throw me something, Muses" brought rewards of lovely souvenirs thrown out from the parade.

A profusion of ribbon confetti then bound all members together in fun and gaiety while delicious sandwiches, cookies, coca-cola, and other refreshments were being served. Mr. Zeringue was crowned guest king, and Johnny Burmaster (President) king of the Chapter. Mr. Martina was decorated with classical ivy.

Tommy Benoit, in toga and laurel wreath served as scribe of the day and master of the opening procession. He was assisted by his slave.

"Being capped"

Look what I've got.

Future Nurses

The Future Nurses Initiation was most successful. The initiation was a solemn candlelight ceremony. After the ceremony, gifts were exchanged and refreshments were served.

"Enjoying the goodies"

ELECTRIC SERVICE...
STILL YOUR BIGGEST BARGAIN...

And here's why -- today the average residential and farm customer uses almost five times as much electricity as he did twenty-five years ago yet his average bill has increased only a little over one and one-half times. In today's high cost of living, can you think of a bigger bargain?

	THANKS TO OUR ADVERTISERS Marie Giardina JoAnn Maggiore Managers

In Appreciation

TO MR. MARTINA . . .

our principal,
whose learned advice and oft-spoke words of encouragement have aided us so much in improving our yearbook.

Those frequent informal visits with us

TO MISS CHERBONNIER . . .

our assistant principal,
who laughed with us, and remained at all times our friend and confidante.

TO MRS. CURRAULT . . .

our sponsor,
whose boundless enthusiasm, infinite patience, and wide experience are the very foundation of our work.

TO THE FACULTY. . .

whose friendly cooperation and good wishes helped so much to ease our "growing pains"

TO THE HOMEROOM TEACHERS . . .

whose sales campaigns sold our Buccaneers

Special thanks to Mrs. Crawford, Miss Barrett, Mr. Villemarette and Mr. Byrnes for the special "things" they did for the Buccaneer.
Special thanks to the photographers who are responsible for the wonderful pictures in our book: Mr. and Mrs. Darrel DeMoss, Mr. Jerry Burns, Mr. Roy Todd, Mr. Jim Ezell, Mr. J. Werner.

We, the Buccaneer Staff of '59, sincerely offer our heartful gratitude.
